

PAA in the News

PAA Champion of Champions Contest Underway

In order to add a new flair to this year's 60th anniversary conference, and at the suggestion of the Southeast Chapter, a ***Champion of Champions Showcase and Bid Calling Contest*** is being planned during the Fun Auction on Thursday evening, January 10, 2008.

The goal of this contest is for all past bid calling winners and attendees of the fun auction to have just that: FUN and celebrate our profession and its 60 years of existence. We will be inviting the past bid calling champions since the event was begun in 1980 to participate in the showcase.

As details are finalized, more information will be available in the magazine as well as on the PAA website.

Make plans now to attend the PAA Conference and Trade Show next January!
